

Teacher of Business
Temporary for one year
January 2019 – December 2019
Part-Time (0.5)

Dear Candidate

I am delighted that you have requested further information regarding the position of **Teacher of Business** at The Spires College. This is a part time (two and a half days), temporary appointment for one year to cover a maternity leave. However, there may be additional hours available for candidates who want this and are able to teach outside of this specialism. The contract will be for full days on Monday and Thursday, and then Friday afternoons.

The Spires College has a very positive, friendly atmosphere. The staff care passionately about the well-being of the children and our students are vibrant, enthusiastic and

affable. The concept of community is something that I believe is essential for a successful school and we all strive to ensure that every member of our community feels valued, but also contributes positively to College life. Our primary focus is, and will always be, developing superb teaching and learning across all areas of the College. Pedagogy underpins all we do and all staff at The Spires College are committed to their own learning as well as their teaching. At our recent inspection, the college was graded 'good' in all areas, which is a fitting acknowledgement of everyone's hard work over the past three years. The report offers a good balance between celebrating our students' successes and academic progress, with praising the College's ethos of care and inclusivity: "A good and rapidly improving school with a culture of respect and aspiration".

The IT, Computing and Business Department is a strong team with a wide range of skill sets. The successful applicant to this post will bring an additional range of strengths and support the excellent work that has started in growing these subjects, both within the curriculum and beyond. She or he will be ambitious to play a role in enhancing the quality of teaching and learning in Business Studies, ensuring that all of our students receive the excellent education that they deserve. This may be as a NQT, bringing a wealth of innovation and energy, or as an experienced teacher, bringing a highly developed understanding of pedagogy and practice.

Working at The Spires College is tremendously rewarding and this role is a fantastic opportunity to make a real difference to young people's lives as well as offering abundant prospects for professional development. As a College we are firmly committed to continuous professional development for all and we invest heavily in developing our staff at all levels.

You are very welcome to visit The Spires College to help you decide if this is the role for you; I'd be delighted to meet you. Please contact my PA for an appointment. I look forward to hearing from you.

With best wishes

A handwritten signature in black ink, appearing to read 'Alex Newton'. The signature is fluid and cursive, written on a white background.

Alex Newton
Principal

The College

The Spires College is a co-educational, 11-18 college with a bilateral stream. It is situated in the Plainmoor district of Torquay, within the Local Authority of Torbay. There are currently around 1000 students on roll. We are a friendly, caring college which puts the needs of our children at the heart of all we do. Academic progress is obviously vital but we also place a high value on the provision of enrichment opportunities that help our students to grow into responsible, confident and considerate young adults. Underpinning all of this are excellent standards of pastoral support and care that allow children to feel safe and valued.

Torbay is an area with a Selective Grammar School system: parents can choose for their child to take the '11+' test if they wish for them to apply for a place at one of the selective schools in the area. The Spires College is one of very few schools in the country with bilateral streams. This allows us to take up to 60 students each year into a selective stream (out of a 220 PAN). Students who have reached a designated pass mark in the '11+' test can apply to our selective stream to access a challenging academic curriculum.

We have a modern, purpose-built building offering fantastic facilities for both students and staff alike. All full time teachers have their own classroom. We are committed to the professional learning of our teachers to ensure classroom practice is as good as it can possibly be. Every teacher follows a personalised CPD programme based on individual needs and interests and every teacher is involved in research and professional reading.

The Department

Business Studies sits within the IT Department. There are currently four teachers within that team.

At The Spires College, we believe that Business related subjects play an important and stimulating role in preparing our students for life after college as effective citizens in a modern society. We are committed to providing consistently high quality teaching and learning and reflect continuously on our practice in order to achieve this. We draw heavily on current affairs to bring the subject to life, enabling our students to apply what they learn in the classroom to the real world in which they live. The new curricula at KS4 and KS5 provide opportunities to embrace new approaches to classroom delivery and we welcome creative and dynamic practitioners who seek to inspire our students to develop a passion for the subject.

Our vision is to equip our students to be inquisitive about the world around them, leaving the college with high level employability skills and confidence in their own abilities. Through our curriculum, students learn to work collaboratively as a team member, lead a group of peers, articulate ideas and opinions and comprehend their role in a business environment.

Business is taught at key stages 4 and 5.

Curriculum

Students in **Key Stage 4** have the opportunity to study GCSE Business, GCSE Computing and BTEC Tech Award in Digital Information Technology.

In **Key Stage 5**, we currently offer the BTEC National Certificate and Extended Certificate in both Business and ICT.

Enrichment

The department is keen to develop enrichment further, building on existing links with employers and institutions of further and higher education. In particular, we are looking to develop Enterprise projects in an extra-curricular capacity, in addition to contributing to enrichments in STEM projects. We are proud of our students' success in recent essay-writing competitions run by the Business School at Plymouth University.

Job Description Teacher of Business

Dates:	To start 1 January 2019
Accountable to:	Head of IT
Salary:	MPS/UPS
Contract Type:	Temporary for one year Part time (0.5)

Introduction

This Job Description outlines the purpose and key tasks required to indicate the level of responsibility. It is not a comprehensive or exclusive list and duties / specific tasks may be varied from time to time, without changing the general character of the job or the level of responsibility entailed. This will allow flexibility for the college to respond to changing priorities and also support and enhance individual professional development. It is the practice of the college to examine job descriptions periodically, update them and ensure that they relate to the job performed, or incorporate any proposed changes. This procedure will be conducted by the Principal/Line Manager in consultation with the post holder.
