

15 August 2018

Dear Parents, Carers and students

**re Update to PE Kit Uniform**

You may recall that, in my letter at the end of the summer term, I advised that in response to feedback from our students, we will be introducing optional sports leggings to our PE uniform and I am pleased to provide you with more details about this.

- PE kit leggings are available to order from the college online uniform shop.
- Only college PE kit leggings supplied by the college uniform shop are permitted; **no other style of leggings are allowed**. The leggings are navy blue with silver trim and should be appropriately robust for use in PE lessons.
- Students may choose to wear college PE kit shorts or college PE leggings for lessons, but may be required to wear TSC PE shorts if they are selected to represent the school at certain sports fixtures.
- College PE kit leggings may be worn under college PE kit shorts or track pants for lessons taking place outside in cold weather.

Leggings are not held in stock by the college uniform shop but will be supplied three times per year for current students:

Order by:	Delivery:
15 September	Autumn term
15 January	Spring term
15 April	Summer term

They will be available in the Primary to Secondary transfer uniform order for children joining us in September 2019 and beyond:

The price of the leggings is:

Waist (inches)	18/20	22/24	26/28	30/32	34/36	38/40	42/44
Cost	£11.50	£11.50	£11.50	£12.50	£12.50	£12.50	£12.50

I should reiterate that the leggings are not compulsory but many students have requested that we make them an option and I hope that you agree that this is a worthwhile addition to our PE kit. Thank you for continuing to support the college by ensuring that your child has the correct uniform for PE lessons.

Yours sincerely

**Ms A Newton  
Principal**
