Dear Parents, Carers and Students

re Football Boots Swap-Shop

We would also like to take this opportunity to launch our '**Football Boots Swap-Shop**'.

We understand that purchasing football boots can be expensive for families, especially when they may be used only for PE lessons during the autumn/winter term. Therefore we are introducing a scheme whereby we are asking for families to donate unwanted football boots in order for them to be distributed to students, particularly those who would otherwise struggle to have the correct and appropriate footwear for winter field sports. We will not be able to guarantee that all sizes of boots are available, particularly whilst the scheme is new, however, please contact our PE department if you would like to take advantage of the scheme. Please note that, at this point in time, there are no boots available as we are awaiting donations.

The swap-shop will be co-ordinated by our PE Technician, Mr Stuart, who will be joining our PE department in the new term. Mr Jordan can be contacted by emailing jstuart@thespirescollege.com.

Donations of football boots can be taken by students to room 0532 in our PE department or they can be dropped off at our reception office.

The scheme is open to all students and we hope that this initiative is successful and that you will want to support it, as well as take advantage of it.

Yours sincerely

The Spires College
