Dear Parents and Carers

**re: Year 11 Easter Holiday Revision Sessions**

As part of the preparation process for the upcoming examinations, the subjects listed below are offering revision sessions during the Easter holiday. These sessions will be primarily supporting students on the topics in their examinations and completing coursework for the various subjects. Please note that your son/daughter may not be taking all of the subjects listed below:

Students will need to access the college from the rear/delivery entrance, as the front of college will be locked, and register in the room listed above. If students have a full day of revision they may wish to bring food and refreshments for the day as the college canteen will not be open.

If you would like your son/daughter to take part in these sessions, I would be grateful if you would complete and return the slip below to main reception by **Thursday 4 April 2019**.

If you have any further questions, please do not hesitate to contact me on the college number below or at [psutherland@thespirescollege.com](mailto:psutherland@thespirescollege.com)

I really hope that your son/daughter can attend these valuable revision sessions.

Yours sincerely
