

1 October 2019

Dear Parents, Carers and Students

**re Football Boots Swap-Shop and Spare Trainers**

We understand that purchasing football boots can be expensive for families, especially when they may be used only for PE lessons during the autumn/winter term. Therefore, in 2018 we introduced a scheme whereby we ask for donations of unwanted football boots in order for them to be distributed to students, particularly those who would otherwise struggle to have the correct and appropriate footwear for winter field sports.

Unfortunately, we only have a couple of pairs of football boots in stock so we are making a fresh appeal for donations. In addition, we would be very grateful for donations of any unwanted trainers and running shoes.

We can't guarantee that all sizes of boots are available, particularly whilst the stocks are so low, however, please contact our PE department if you would like to take advantage of the scheme. The swap-shop is co-ordinated by our PE Technician, Mr Stuart, who can be contacted by emailing [jstuart@thespirescollege.com](mailto:jstuart@thespirescollege.com).

Donations of football boots and trainers can be taken by students to room 0532 in our PE department, or dropped off at our reception office.

The Football Boots Swap-Shop scheme is open to all students and we hope that you will want to support it, as well as take advantage of it.

Yours sincerely

**The Spires College**
